

Additional Notes for the ITERS-3

Item 20. Nature/science

7.4 Replace note in scale with the following:

For children under the age of two who are not observed having access to sand/water, score N/A since it is not required for this age group. Score "No" if sand and water is not closely supervised for any child while using sand/water (including children under the age of two) or if children two and older are not observed having access to sand/water.
